WHY DOES AN ILO CONVENTION ADDRESS DOMESTIC VIOLENCE?

ILO Convention 190

IT CAN CHANGE LIVES

Domestic violence is not a private issue. It can affect health and safety and employment productivity; workers subjected to domestic violence can be threatened at work and colleagues may witness the violence. Employers have a duty of care, and could provide paid leave, help with contacts to support organizations, grant flexible hours, etc. A victim of domestic violence should not have to choose between her safety and her job.

Campaign for the ratification of C190 and the elimination of violence and harassment in the world of work.
